EMPLOYMENT

Robert Bosch Centre for Cyber-Physical Systems, Indian Institute of Science (IISc) *Oct 2020 – Present*

- *Technical (Research) Associate*

  - Working on Human-Robot Interaction (HRI) for social robots.
  - Enabled (i) two-way remote speech communication with phoneme segmentation based lip synchronization and (ii) Wav2Vec2 based speech to text conversion followed by NLP based action identification and execution on social tele-robot *"Asha"*. Part of the work is open sourced as *sonorus* pypi package and *imperio* github repository.
  - Our team *"Aham"* is one of the thirty eight teams selected for the semi-finals of the ANA Avatar XPRIZE competition.
  - Working towards enabling language (NLP) based instruction execution through reinforcement learning (RL).

Hewlett-Packard (HP) Inc. *Jul 2017 – Oct 2020*

- *Senior Machine Learning Engineer (Data Scientist III)* *Nov 2019 – Oct 2020*
- *Machine Learning Engineer (Data Scientist IIIA)* *Jul 2017 – Oct 2019*

  - *Printer part failure prediction for minimal intervention cost* – We introduced sequence-based definition of precision and recall specific to the class of problems for intervention along with an LSTM based learning procedure using multiple-instance learning based hybrid loss.
  - *Identifying the relative importance of customer issues on product ratings* – Used self-attention based LSTM network to identify key phrases within a customer review followed by identifying the overall importance of these phrases in determining product ratings.

EDUCATION

Indian Institute of Science (IISc), Bangalore

- *Reinforcement and Deep Reinforcement Learning – Crediting Course* *Aug 2021 – Present*
- *M.Tech from the Department of Computational and Data Sciences (CDS)* *Jul 2015 – Jun 2017*

Thesis work – on combinatorial approaches to drug design in the form of structure generation of potential drug molecules by preserving local information-theoretic indices of activity linked nodes in molecular graphs. Project funded by departments under *Ministry of Science & Technology, Government of India (GoI)*.

Indian Institute of Technology - IIT (ISM), Dhanbad *Jul 2008 – Jun 2012*

- *B.Tech in Mechanical Engineering*

Senior year project – on explaining the thermal properties of nano-fluids by developing a theoretical framework based on a linearly varying thermal conductivity profile of interfacial layers between nano-particles and fluid medium.

ONLINE COURSES

Tokyo Data Science (TokyoDS) *Apr 2019 – Mar 2020*

- *Deep Learning and Data Science Track*

Topics include – Mathematics for machine learning, gradient based optimization techniques, computer vision (CV), natural language processing (NLP), reinforcement learning (RL), generative adversarial networks (GANs), variational autoencoders (VAEs) and causal inference.

PUBLICATIONS

(eds) *Structural Bioinformatics: Applications in Preclinical Drug Discovery Process.* Challenges and Advances in Computational Chemistry and Physics. Springer, Cham. Vol. 27, pp. 71 - 108, 2019.

TUTORING, SERVICES AND VOLUNTEERING

- *Teaching Assistant*, Computational Data Science, Indian Institute of Science (IISc) — *July 2021 – Present*
- *Reviewer*, ML Reproducibility Challenge 2020 — *Feb 2021 – Mar 2021*
- *Grading & Master's Thesis Supervision Assistantship*, UpGrad Education Pvt. Ltd. — *Oct 2020 – Present*
- *Volunteer*, International Conference on Learning Representations (ICLR) — *Apr 2020*

TECHNICAL SKILLS

Programming: Python, Java, C++, Matlab, CUDA, MPI, Open-MP

Software & Frameworks: PyTorch, Keras, Robot Operating System (ROS), Docker, Scikit-Learn, XGBoost, Flask

SCHOLARSHIPS, HONOURS AND ACHIEVEMENTS

Scholarships

- *Graduate Student Scholarship, Indian Institute of Science (IISc), Bangalore* — *Jul 2015 – May 2017*
- *Merit-cum-means Scholarship, Indian Institute of Technology – IIT (ISM), Dhanbad* — *Jul 2008 – May 2012*

Honours and Achievements

- *Secured rank of 99 (top 0.06 percentile) in the all India Graduate Aptitude Test in Engineering (GATE) which is a test for country-wide admissions to graduate engineering programs in India.* — *Mar 2013*
- 2^{nd} *Prize recipient, Poster Competition, Society of Petroleum Engineers (SPE), Bangalore Section* — *Sep 2009*
- *Secured a position among the top 2 percentile in the Indian Institute of Technology (IIT) entrance examination which is conducted country-wide for undergraduate admissions to prestigious IIT(s).* — *Jun 2008*
- *Amul Vidya Bhushan Award – by Amul Foundation for academic excellence* — *Jun 2008*
- *Hindustan Pratibha Samman – by HT Media Ltd. for academic excellence* — *Jun 2008*
- *Secured an All India Rank of 131 (top 6 percentile) in National Science Olympiad (NSO)* — *2003*
